Progress

Dear Mr. Shaw:

In accordance with Section 2.3 of the agreement between the City of Collinsville and CSXT dated August 14, 2006, CSX Transportation, Inc., is authorized to begin work on the relocated Mulberry Road railroad crossing. Since Mulberry Road will remain open throughout construction, please coordinate your work with Mr. Dennis Smith at Oates Associates (618-345-2200) in order to ensure that public access over the railroad is not impeded.

The City has forwarded payment of the reimbursable expenses directly to CSXT as provided in Section 4.1 of the agreement. The railroad protective liability insurance policy was submitted to Ms. Deborah Tauro, CSXT, on January 7, 2007.

If you have any questions or comments, please give me a call at (618) 410-5542

Sincerely,

CITY OF COLLINSVILLE
